140 **Fig. 1.** Shoot height (A) and stem diameter (B) of qwerty qwerty qwerty qwerty qwerty
 141 qwerty qwerty qwerty qwerty qwerty.

Comentado [A16]: Figures must be inserted immediately after the citation in the text. Not after references.

Figures must be minimum 8.5 cm wide, not exceeding 17 cm.

Figures must be included in the text as JPG, PNG, or TIFF in high resolution (at least 300dpi) and **editable format**. Blurred and low-quality images will not be accepted.

Figure labels must be typed in Times New Roman font.

Authors should avoid colors in figures, except for photographs. In the case of composite figures, each section (for example, each graph) should be marked as a separate item ("A, B, C..."), in capital letter.

If the article is accepted and the figures are of very low resolution, a new figure may be requested.
