WAIVERS AND DISCOUNTS FROM ARTICLE PUBLICATION CHARGE

Keeping our commitment to the open-access, the Ornamental Horticulture offers the possibility of waiver or discounts from the APC for foreign authors who are part of the list of low-income countries ([List of Low-Income Countries](#)).

If they are unable to pay the publication fee, please contact the Editor-in-Chief via email (editor.ornamentalhorticulture@gmail.com) for an analysis of the demand. A document with its own text prepared by the author(s) must be sent, duly signed by all the author(s), with the reasons for the insertion.

Additionally, even if you are not from low-income countries and are limited in paying fees, you can also request a waiver or discount by contacting the Editor-in-Chief. The journal will not use the publication fee as an impediment to the publication of accepted articles, as it has no commercial purposes.

A maximum of one waiver or discounts will be granted per year, regardless of the order of authorship and research group.
